

## Changes in Parking

A change pertaining to parking violations will become effective beginning July 1, 2009. In an effort to decrease the frequency of vehicles being towed on campus, the Parking Department will utilize an immobilization device. A vehicle found with three or more outstanding citations may be immobilized/booted, rather than immediately being towed. If the outstanding fines have not been paid, the boot will be removed and the vehicle will then be towed.

### Multiple Parking Citation Enforcement

Any violator failing to pay three (3) consecutive citations may be subject to one or both of the following:

- **Boot Procedure** (immobilization device) - \$45.00 fine
- **Towing Procedure** - \$100.00 charge by an independent towing company, which may vary depending upon size of vehicle, as well as a \$35.00 Parking Department fine

The Parking Department will determine the best procedure/method for addressing violators with more than three pending citations.

### Past Due Citation Collection

The Parking Department is currently coordinating with an outside agency to manage the collection of outstanding citations.

### Convenient On-Line Resources

The Parking Department web site provides options and resources for all faculty, staff, students and visitors. Use the links below to find the best parking solution or current information:

- [Parking Rules & Regulations](#)

- [Current Citation Codes and Fines](#)

### CashKey

Due to a raise in vendor pricing, initial CashKey purchase cost will be raised to \$19.50 beginning July 1, 2009.

The Parking Department is dedicated to keeping the Urbana-Champaign campus safe and accessible to all. We understand the concerns and needs of our customers and we value your patronage.

The Parking Department is open Monday through Friday, 8:30 a.m. - 5:00 p.m.
